LIVE ON VERCEL

SYSTEM OVERVIEW

The **FRIC Portal (Faculty Research Incentive Cell)** is an enterprise academic governance and incentive management platform engineered for **P. P. Savani University (PPSU)**. It digitizes the end-to-end lifecycle of faculty research incentive claims across publications (Q1–Q4, Scopus, SCI, ABDC), granted/published patents, books, citations, and research grants. The platform enforces multi-stage sequential verification, role isolation, automatic policy calculations, and official signed Provost PDF sanction order generation.

SYSTEM CREDENTIALS & USER ACCESS MATRIX

EXECUTIVE ADMINISTRATION & PROVOST		
DESIGNATION	LOGIN EMAIL	PASSWORD
Super Admin Dean SOE (Niraj Shah)	admin@ppsu.in	Admin@PPSU2026!
Provost Final Sanction & Payout	EAtoVC@ppsu.in	EAtoVC@PPSU2026!

RESEARCH VERIFICATION COMMITTEE		
COMMITTEE ROLE	LOGIN EMAIL	PASSWORD
Committee Member 1 Indexing & Quartile Audit	rameshgohil@verifer.1.ppsu.in	Rameshgohil@Verifier2026!
Committee Member 2 Authorship & Ratio Audit	aeshishrana@verifer.2.ppsu.in	Aeshishrana@Verifier2026!
Convenor / Governor Budget & Institutional Review	rishalsingh@verifer.convenor.ppsu.in	Rishalsingh@Verifier2026!

SCHOOL OF ENGINEERING (SOE)		
FACULTY / DESIGNATION	LOGIN EMAIL	PASSWORD
Mitul Head of Department (HOD)	mitul@hod.soe.ppsu.in	Mitul@SOE2026!
Raviraj Assistant Professor	raviraj@soe.ppsu.in	Raviraj@SOE2026!

MULTI-STAGE VERIFICATION & ARCHITECTURE

SEQUENTIAL APPROVAL HIERARCHY, RETURN PROCEDURES & TECHNICAL SPECIFICATIONS

DOCUMENT: WORKFLOW SPEC
GOVERNANCE: ACTIVE

MULTI-STAGE VERIFICATION PIPELINE

STAGE	ASSIGNED AUTHORITY / ROLE	PRIMARY VERIFICATION SCOPE & RESPONSIBILITIES	STAGE KEY
1 Initial	Faculty Member (Claimant)	Submits claim metadata, uploads supporting proofs (PDF), accepts statutory declaration, and receives live incentive preview.	SUBMITTED
2 Stage 1	Head of Department (HOD)	Validates institutional affiliation, departmental workload compliance, and endorses initial research output proofs.	HOD_PRINCIPAL
3 Stage 2	Research Committee Member 1	Audits indexing database authenticity (Scopus, SCI, Web of Science, ABDC, UGC CARE), journal quartile, impact factor, and DOI.	COMMITTEE_M1
4 Stage 3	Research Committee Member 2	Verifies author sequence (First, Corresponding, Co-author) and calculates internal PPSU revenue distribution split.	COMMITTEE_M2
5 Stage 4	Research Committee Convenor / Governor	Audits annual university research budget caps, enforces policy claim limits per faculty, and submits final payout recommendation.	GOVERNOR
6 Stage 5	Provost (Executive Authority)	Grants final financial payout approval, executes institutional sanction, and generates official verifiable PDF Sanction Order.	APPROVED

RETURN & RESUBMIT MECHANISM

- Mandatory Return Remarks:** Verifiers cannot return a claim without entering detailed written feedback specifying missing proofs or required corrections.
- Faculty Edit & Resubmit:** The claimant receives an automated notification, updates claim data, re-uploads supporting documents, and resubmits.
- Direct Stage Resume:** Resubmitted claims route directly back to the exact verifier who returned them, preserving all prior stage approvals.
- Self-Review Bypass:** If a verifier or HOD submits a personal claim, their own stage is automatically bypassed to prevent conflict of interest.

TECHNICAL ARCHITECTURE

SYSTEM SPECIFICATIONS & TECHNOLOGY STACK	
Frontend Stack	Next.js 16.3 (App Router & Turbopack), React 19, TypeScript 5, Tailwind CSS v4, Lucide React Icons
Backend & Database	Supabase PostgreSQL 15, Row Level Security (RLS), Server Actions, Next.js API Routes
Security & Auth	Role-Based Access Control (RBAC), Session Gatekeepers, Stage Isolation & Dynamic Self-Bypass
Document Storage	Supabase Private Storage Bucket (claim-documents) with signed tokenized preview access
Cloud Deployment	Vercel Edge Serverless Cloud (Live: https://fricppsu.vercel.app/)
